Disposable Vapes Guidelines

Certain disposable vapes are allowed to PWC such as pictured to the right. Chargers will be allowed for these devices.

They must:

- Be new in the box and sealed in plastic upon arrival.
- Be disposable.
- Come in one solid piece.
- Appear unaltered or tampered with.

They must NOT:

- Be long and pencil shaped (almost exclusively THC pens).
- Have liquid or salty substance showing.
- Use cartridges or pods (meaning they can be taken apart).
- Be the JUUL brand.
- Be Vuse brand.

Some Disposable vapes come in both THC or nicotine, that's why they must be new in box and labeled nicotine.
